JALSA
2023

"As we navigate the jubilant waves of Jalsa 2023, Ms Tapasaya Parihar, IAS, CEO Zila Panchayat Chhatarpur, inspires us with her insightful words: 'This annual celebration is a testament to the resilience and spirit of our community. May Jalsa be a beacon of hope, radiating the essence of inclusivity and shared happiness.'"

DIRECTOR'S MESSAGE

Dear Students and Parents,

As we step into a new academic term, let's embrace the power of focus and hard work on our journey to success. Helen Keller once said, **"Keep your face always toward the sunshine—and shadows will fall behind you."** This simple yet profound wisdom echoes the importance of staying focused on our goals.

Our school is not just a place of learning; it's an institution dedicated to nurturing your dreams. Remember, every class, assignment, and challenge is a stepping stone towards your aspirations. Just as a gardener tends to a seed, you must cultivate your goals with dedication and perseverance. Hard work is the magic wand that turns dreams into reality. It's the extra effort in studying, the determination to overcome obstacles, and the commitment to excellence. So, let this academic term be a canvas where you paint your journey with the vibrant strokes of focus and hard work.

Together, let's create a masterpiece of achievement and growth.

Best wishes,

Ruchika Bharadwaj
Director: DPSC

Home Away from Home: Exploring Boarding Life

FINDING HAPPINESS

In the quest for joy, we often roam, through life's Labyrinth, we find our home, Seeking happiness, a treasure untold, in values, we discover a heart of gold.

To know oneself, the path we tread, unveiling layers, where thoughts are spread, in the mirror of truth, our reflection gleams, The essence of being, in silent dreams.

Respect, the cornerstone of our way, in every gesture, in what we say, It builds bridges, transcends divides, In unity, our compassion thrives.

In giving freely, we receive the grace, A warm embrace, a smiling face, beyond conditionings, ego's snare, Love's boundless flow, we're made aware.

Ego clashes fade in wisdom's light, As understanding dawns, the future bright, In the dance of souls, we find our place, Harmony, not discord, in life's embrace.

One with nature, and all beings we share, A tapestry of life, in the open air, From the smallest insect to the towering tree, Connected in this grand symphony.

In the search for happiness, let us find, Values, self, respect, the ties that bind. For giving is receiving, and love the key, to a world where all souls can truly be free.
